Event Name: Web Worriers

Mode: Online

Date: 12 February

Time: 10:00 AM – 6:00 PM

Participants must submit their live website link before 6:00 PM through the Google Form shared in the group. Late submissions will not be accepted.

Event Objective

To design and build a modern, engaging and user-centric website based on an Army theme, focusing on UI/UX and real-world frontend development skills.

Mandatory Requirement

We want a working frontend application.

This includes:

- Sign up
- Sign in / Login
- Profile related interactions
- UI based features

Backend implementation is NOT mandatory.

The frontend must behave like a real application.

Main Theme

The website must clearly follow an Army theme through UI, colors, content and layout.

User Profile Section

Profile card with image, name, role and short bio.

Social links: LinkedIn, Instagram, Facebook and customizable X (Twitter).

UI / UX Requirements

Clean layout, responsive design, consistent colors, proper spacing and readable typography.

Profile Customization

Editable bio, profile theme selector and social link manager.

Smart UI Feature (Any One)

Welcome message based on username OR Theme switcher OR Accessibility features (font size / contrast).

Technology Rules

Any frontend technology may be used. Website must be hosted and publicly accessible. Localhost links are not allowed.

Shortlisting Process

Shortlisting is based on UI, creativity, theme relevance, completeness and user experience.

Evaluation & Question Round

Shortlisted participants must explain their frontend logic, UI/UX decisions, component structure and responsiveness.

Winner Selection

There will be only ONE final winner. Winner is selected based on feature completeness, UI/UX quality and answers in evaluation round.

Tie Handling

A special round will be conducted only if there is a tie between two participants.

Template & Plagiarism Policy

Directly copied templates will be immediately disqualified. Heavily customized templates are allowed.

Disqualification Rules

Late submission, broken link, missing features, no Army theme, direct template copy or inability to explain the work will result in disqualification.
